Innovation, Entrepreneurship, and
Translational Research Workshop 2

Las Vegas, NV

February 1, 2016

"Innovation" Workshop series (IIA-1521666)

First workshop to

- explore robust pathways for "lab to market place"

- establish strong interactions among every part of the innovation ecosystem

- assess current processes status and identify gaps, barriers and challenges, and needed resources

- learn and share successful strategies that suit the needs of each EPSCoR jurisdiction

Workshop II

Second workshop to finalize an action plan to

- enhance research-based innovation

- transfer science and technology research into products to benefit society

- strengthen training for the development of skilled STEM workforce

- lead the way for knowledge-based economic development in EPSCoR jurisdictions
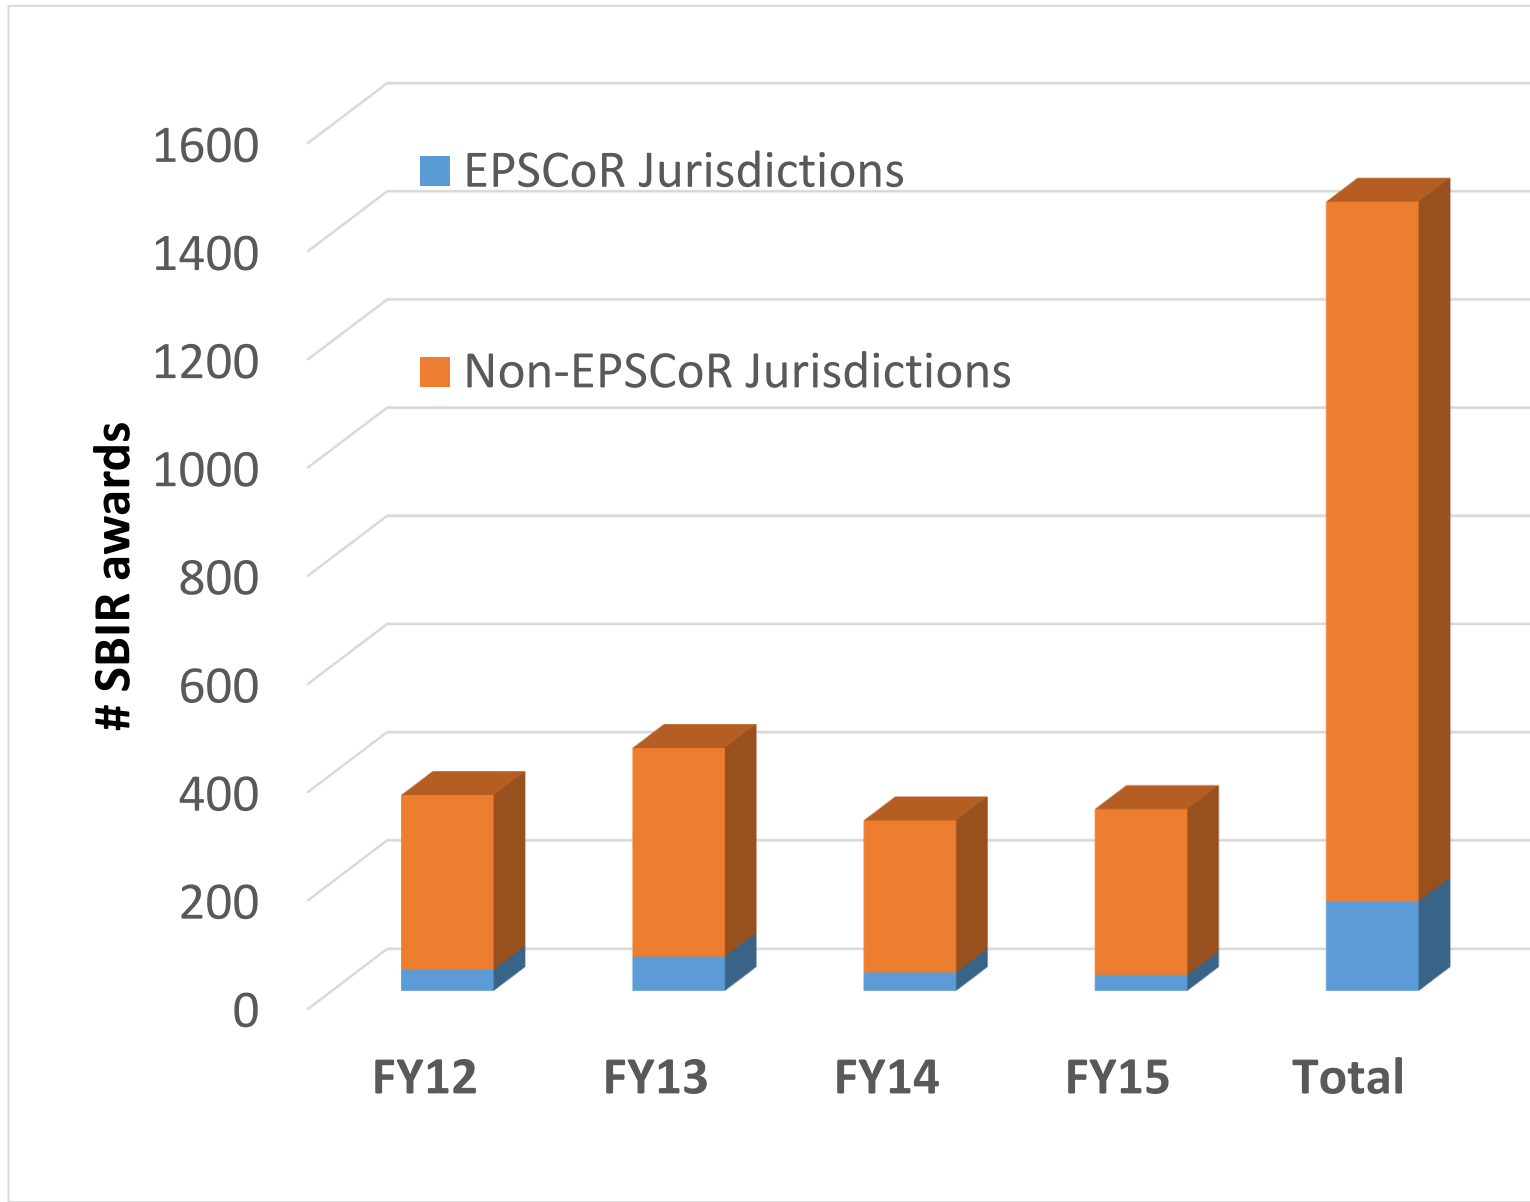

SUSTAINED OUTCOMES

- Jurisdiction-specific implementation plan to strengthen Innovation

- Share ideas, successful models, engaged interaction among all key plyers of the innovation ecosystem

- Develop resources for continued, collaborative framework for innovation

- Small Business Innovative Research (SBIR)

- Small Business Technology Transfer (STTR)

- Industry & University Cooperative Research (I/UCRC)

- Partnerships for Innovation: Accelerating Innovation Research --
        Research Alliance (PFI:AIR-RA)
        Technology Transfer (PFI:AIR-TT)
        Building Innovation Capacity (PFI:AIR-BIC)

- Grant Opportunities for Academic Liaison with Industry (GOALI)

Setting the Stage for Workshop 2

Joy Fisher

University of Tennessee

joy.fisher@utk.edu

Objectives

- **Overall:** increase translation of research-based innovation *from your region* into products and services that benefit society

- **Workshop 2:**
  - Refine action plans
  - Learn from other jurisdictions
  - Find opportunities for collaboration
  - Provide feedback to NSF
  - **Put your work into action!**

Workshop Structure

- Each state presents SWOT/Action Plans
- Prioritize top 4 states for further discussions
- Two in-depth meetings on Day 2
  - Learn more
  - Collaboration potential
- Refinement of action plans based on new information
- Two states to present revised Action Plans
- Discussion on EPSCoR community needs

Presentation Guidelines

- 20 minutes, including Q&A
  - SWOT: 5 minutes max
  - Action Plan: 10 minutes max
  - Q&A: depends on how long you talk!

QUESTIONS?
